1. The Proposal

- 1.1 On 19.4.2018, the Town Planning Board (the Board) received an application seeking planning permission for proposed redevelopment of existing residential buildings to commercial development (including office, shop and services, eating place, exhibition hall, convention hall, education institution, place of entertainment and place of recreation, sports or culture) and minor relaxation of building height restriction (BHR) from 110mPD to 130.1mPD at the application site (**Plan A-1**). The application is scheduled for consideration by the Metro Planning Committee (the Committee) of the Board on 15.6.2018.

2. Request for Deferment

On 8.6.2018, the applicant's representative wrote to the Secretary of the Board and requested the Board to defer making a decision on the application for two months so as to allow time for preparation of further information (FI) to address the comments of relevant government departments (**Appendix I**).

3. Planning Department's Views

3.1 The Planning Department has no objection to the request for deferment as the justifications for deferment meet the criteria for deferment as set out in the Town Planning Board Guidelines on Deferment of Decision on Representations, Comments, Further Representations and Applications made under the Town Planning Ordinance (TPB PG-No. 33) in that the applicant needs more time to prepare FI in response to government departmental comments, the deferment period is not indefinite, and the deferment would not affect the interests of other relevant parties.

3.2 Should the Committee agree to defer making a decision on the application, the application will be submitted to the Committee for consideration within two months upon receipt of FI from the applicant. If the FI submitted by the applicant is not substantial and can be processed within a shorter time, the application could be submitted to an earlier meeting for the Committee's consideration. The applicant should be advised that the Committee has allowed two months for preparation of submission of FI, and no further deferment would be granted unless under very special circumstances.

4. Decision Sought

The Committee is invited to consider whether or not to accede to the applicant's request for deferment. If the request is not acceded to, the application will be submitted to the Committee for consideration at the next meeting.
