Dear Sir,

**S16 Application for Proposed Student Hostel with Minor Relaxation of  
Site Coverage at Rural Building Lot No. 925  
High West, Pok Fu Lam**

We refer to the S16 application submission dated 26.11.2018 to the Town Planning Board and the comments received from the Geotechnical Engineering Office of the Civil Engineering and Development Department (CEDD/GEO) on 2.1.2018.

We are currently in consultation with the local communities on the proposed student hostel and received some concerns from them. In order to allow adequate time to address the concerns from the local communities and the comments from CEDD/GEO, we would like to apply for deferral of the consideration of our application by the Town Planning Board for two months.

Should you have any questions, please feel free to contact the undersigned.

Thank you for your kind attention.

Yours faithfully,  
For and on behalf of  
PlanArch Consultants Ltd.
