<u>Application</u>	Proposed Hotel with Minor Relaxation of PR Restriction and BH Restriction

1. Background

On 28.8.2019, the Board received an application seeking planning permission for a minor relaxation of PR restriction from 12 to 14.4 and BH restriction from 80mPD to 98mPD for a proposed hotel at the application site, which falls within the “OU(B)” zone on the approved Shau Kei Wan OZP No. S/H9/18 (**Plan A-1**). The application is scheduled for consideration by the Metro Planning Committee (the Committee) of the Board at this meeting.

2. Request for Deferment

On 15.11.2019, the applicant's representative wrote to the Secretary of the Board and requested the Board to defer making a decision on the application for two months so as to allow time for preparation of further information to address departmental comments (**Appendix I**).

3. Planning Department's View

3.1 The Planning Department has no objection to the request for deferment as the justification for deferment meets the criteria for deferment as set out in the Town Planning Board Guidelines on Deferment of Decision on Representations, Comments, Further Representations and Applications made under the Town Planning Ordinance (TPB PG-No. 33) in that the applicant needs additional time to prepare further information to address departmental comments, the deferment period is not indefinite, and that the deferment would not affect the interest of other relevant parties.

3.2 Should the Committee agree to defer a decision on the application, the application will be submitted to the Committee for consideration within two months upon receipt of further information from the applicant. If the further information submitted by the applicant is not substantial and can be processed within a shorter time, the application could be submitted to an earlier meeting for the Committee's consideration. The applicant should be advised that the Committee has allowed two months for the preparation of further information, and no further deferment would be granted unless under very special circumstances.

4. Decision Sought

The Committee is invited to consider whether or not to accede to the applicant's request for deferment. If the request is not acceded to, the application will be submitted to the Committee for consideration at the next meeting.
