Dear Mr. Kwan,

The deferment is for preparing the further information to address the comments from the Commissioner of Transport. I expect it will take about two months i.e. the duration of the deferment period will be the same.

Regards,  
S.K. Pang

Dear Mr. Pang,

Please clarify whether your request for deferment is to allow time for preparation of further information to address the comments of relevant Government department, and the duration of the deferment period. Thank you.

Dear Sirs

I have just received a last minute e-mail from Mr. Hayden Kwan of District Planning Office of Kowloon enclosing the comment from the Commissioner of Transport on the above application. After seeking the client's consent I am now applying for the deferment of the consideration of this case in the upcoming meeting.

Thank you for your attention.

Regards,

S.K. Pang

Dear Mr. Pang,

As spoken, five public comments were received during the statutory public inspection period. Transport Department's comments will also be forwarded to you once received. Please discuss with your client and see whether any follow up action is necessary.

According to the Town Planning Board Guidelines No. 33, any request for deferment in respect of applications should be submitted to the Secretary of the Town Planning Board before the issue of agenda of the meeting (normally one week before the scheduled meeting date). As such, please make sure your request for deferment, if any, can reach the Secretary on or before 18.1.2019, with a copy to this office. Thank you.
