Dear Sir/ Madam,

15 April, 2019

**Section 12A Rezoning Application from “R(A)4” to “G/IC”
for Salvation Benevolent Association, at HHIL Nos. 238F RP and 238G,
Winslow Street No. 37, Hung Hom**

We refer to our application submitted 18.1.2019.

We have received comments from Environmental Protection Department (EPD) from the District Planning Officer/ Kowloon dated 2.4.2019. We request that the consideration of the planning application by the Town Planning Board could be deferred for two months so as to allow more time for the consultants to address the following issues:

1. to provide information on the sound power level of the fixed noise sources to demonstrate that the assessment results are valid;
2. to provide hydraulic calculation for the connecting pipe between the proposed terminal manhole and manhole FMH4027691;
3. to revise the Environmental and Sewerage Impact Assessment in response to other EPD's comments; and
4. to response to public comments.

Yours faithfully,
