(a) Maximum plot ratio (PR) of 9.5 and maximum building height (BH) of 105 metres above Principal Datum (mPD), or the PR and height of the existing building, whichever is the greater

(b) Minor relaxation of the PR/BH restrictions may be considered by the Town Planning Board (the Board) on application based on individual merits of development proposal

Application: Proposed Minor Relaxation of PR Restriction for Permitted Non-Polluting

Industrial Use (excluding industrial undertakings involving the

use/storage of Dangerous Goods)

1. Background

- 1.1 On 23.10.2019, the application for minor relaxation of PR restriction for permitted non-polluting industrial use (excluding industrial undertakings involving the use/storage of Dangerous Goods) at 132-134 Tai Lin Pai Road (the Site) was received by the Board (**Plan A-1**).
- 1.2 On 13.12.2019, Metro Planning Committee (the Committee) of the Board agreed to defer making a decision on the application for two months, as requested by the applicant, to allow sufficient time to address departmental comments.
- 1.3 The applicant submitted further information on 24.1.2020 including responses to departmental comments, revised Traffic Impact Assessment, revised Landscape Master Plans/photomontages/layout plan and replacement pages of the Sewerage

Impact Assessment. The application is rescheduled for consideration by the Committee on 20.3.2020.

2. Request for Deferment

On 2.3.2020, the applicant's representative wrote to the Secretary of the Board and requested the Board to defer making a decision on the application for two months so as to allow more time for preparation of further information to clarify the issues raised by concerned bureau and departments (**Appendix I**).

3. Planning Department's Views

- 3.1 The application has been deferred once for two months at the request of the applicant. Since the first deferment on 13.12.2019, the applicant has submitted further information to address departmental comments.
- 3.2 The Planning Department <u>has no objection</u> to the request for deferment as the justifications provided meet the criteria for deferment as set out in the Town Planning Board Guidelines on Deferment of Decision on Representations, Comments, Further Representations and Applications made under the Town Planning Ordinance (TPB PG-No. 33) in that the applicant needs more time to prepare further information to address departmental comments, the deferment period is not indefinite and the deferment would not affect the interests of other relevant parties.
- 3.1 Should the Committee agree to defer making a decision on the application, the application will be submitted to the Committee for consideration within two months upon receipt of further information from the applicant. If the further information submitted by the applicant is not substantial and can be processed within a shorter time, the application can be submitted to an earlier meeting for the Committee's consideration. Since it is the second deferment of the application, the applicant should be advised that the Committee has allowed a total of four months for the preparation of further information, and no further deferment would be granted unless under very special circumstances.

4. Decision Sought

The Committee is invited to consider whether or not to accede to the applicant's request for deferment. If the request is not acceded to, the application will be submitted to the Committee for consideration at the next meeting.
