Further received the comments from different government departments dated 27 & 31 August 2018, 11 & 26 September, we would like to apply for two months deferment of the consideration date by your Board because we require additional time to prepare some supplementary information to address the comments from Civil Engineering and Development Department, Lands Department and Planning Department.

We would appreciate your understanding for the postponement that is important for our further process of the captioned application.

Should you have any queries, please contact our Ms. Minnie Wong at 2797 2728 or the undersigned at . Thank you for your kind attention.

Yours faithfully,
For and on behalf of
