**1. Background**

- 1.1 On 11.12.2019, the applicants submitted the subject application to seek planning permission to use the application Site (the Site) (**Plan A-1**) for proposed houses and filling and excavation of land.
- 1.2 In light of the special work arrangement for government departments due to the novel coronavirus infection, the meeting originally scheduled for 7.2.2020 for consideration of the application has been rescheduled, and the Town Planning Board (the Board) has agreed to defer consideration of the application. The application is now scheduled for consideration by the Rural and New Town Planning Committee at this meeting.

**2. Request for Deferment**

On 24.1.2020, the applicants’ representative wrote to the Secretary of the Board and requested the Board to defer making a decision on the application so as to allow two months’ time for preparation of further information to address departmental comments (**Appendix I**).

### **3. Planning Department's Views**

- 3.1 The Planning Department has no objection to the request for deferment as the justifications for deferment meet the criteria for deferment as set out in the Town Planning Board Guidelines on Deferment of Decision on Representations, Comments, Further Representations and Applications made under the Town Planning Ordinance (TPB PG-No. 33) in that the applicants need more time to prepare further information in response to departmental comments, the deferment period is not indefinite and the deferment would not affect the interests of other relevant parties.
- 3.2 Should the Committee agree to defer a decision on the application, the application will be submitted to the Committee for consideration within two months upon receipt of further submission from the applicants. If the further information submitted by the applicants is not substantial and can be processed within a shorter time, the application could be submitted to an earlier meeting for the Committee's consideration. The applicants should be advised that the Committee has allowed two months for preparation of submission of further information as requested by the applicants, and no further deferment would be granted unless under very special circumstances.

### **4. Decision Sought**

The Committee is invited to consider whether or not to accede to the applicants' request for deferment. If the request is not acceded to, the application will be submitted to the Committee for consideration at the next meeting.
