1. Background

On 18.4.2019, the applicant submitted the subject application to seek planning permission to use the application site (the Site) (**Plan A-1**) for temporary open storage of construction materials and machineries for a period of 3 years. The application was scheduled for consideration by the Rural and New Town Planning Committee (the Committee) on 31.5.2019.

2. Request for Deferment

On 24.5.2019, the applicant wrote to the Secretary of the Town Planning Board (the Board) and requested the Board to defer making a decision on the application so as to allow two months’ time for preparation of further information in response to departmental comments (**Appendix I**).

3. Planning Department’s Views

3.1 Planning Department has no objection to the request for deferment as the justifications for deferment meet the criteria for deferment as set out in the Town

Planning Board Guidelines on Deferment of Decision on Representations, Comments, Further Representations and Applications made under the Town Planning Ordinance (TPB PG-No. 33) in that the applicant needs more time to prepare further information in response to departmental comments, the deferment period is not indefinite and the deferment would not affect the interests of other relevant parties.

- 3.2 Should the Committee agree to defer a decision on the application, the application will be submitted to the Committee for consideration within two months upon receipt of further submission from the applicant. If the further information submitted by the applicant is not substantial and can be processed within a shorter time, the application could be submitted to an earlier meeting for Committee's consideration. The applicant should be advised that the Committee has allowed two months for preparation of submission of further information as requested by the applicant, and no further deferment would be granted unless under very special circumstances.

4. Decision Sought

The Committee is invited to consider whether or not to accede to the applicant's request for deferment. If the request is not acceded to, the application will be submitted for the Committee's consideration at the next meeting.
