

APPLICATION FOR PERMISSION
UNDER SECTION 16 OF THE TOWN PLANNING ORDINANCE

APPLICATION NO. A/TKO/120
(1st Deferment)

<u>Applicant</u>	Architectural Services Department represented by Kenneth To & Associates Limited
<u>Site</u>	Government Land in Area 72, Tseung Kwan O
<u>Site Area</u>	About 3,015 m ²
<u>Land Status</u>	Government Land
<u>Plan</u>	Approved Tseung Kwan O Outline Zoning Plan (OZP) No. S/TKO/26
<u>Zoning</u>	“Government, Institution or Community (4)” (“G/IC(4)”) (restricted to a maximum building height of 40m)
<u>Application</u>	Proposed Flats (Departmental Quarters for Fire Services Department) with Permitted Fire Station-cum-Ambulance Depot and Minor Relaxation of Building Height Restriction

1. Background

On 14.1.2020, the applicant submitted the subject application to seek planning permission to use the application site (the Site) (**Plan A-1**) for proposed flats (departmental quarters for Fire Services Department) with permitted fire station-cum-ambulance depot and minor relaxation of building height restriction. The application is scheduled for consideration by the Rural and New Town Planning Committee (the Committee) on 6.3.2020.

2. Request for Deferment

On 20.2.2020, the applicant wrote to the Secretary of the Town Planning Board (the Board) and requested the Board to defer making a decision on the application for two months so as to allow time for preparation of further information in response to departmental comments (**Appendix I**).

3. Planning Department's Views

3.1 Planning Department has no objection to the request for deferment as the justifications for deferment meet the criteria for deferment as set out in the Town Planning Board Guidelines on Deferment of Decision on Representations, Comments, Further Representations and Applications made under the Town Planning Ordinance (TPB PG-No. 33) in that the applicant needs more time to prepare further information in response to departmental comments, the deferment period is not indefinite and the deferment would not affect the interests of other relevant parties.

3.2 Should the Committee agree to defer a decision on the application, the application will be submitted to the Committee for consideration within two months upon receipt of further information from the applicant. If the further information submitted by the applicant is not substantial and can be processed within a shorter time, the application could be submitted to an earlier meeting for Committee's consideration. The applicant should be advised that the Committee has allowed two months for preparation of submission of further information as requested by the applicant, and no further deferment would be granted unless under very special circumstances.

4. Decision Sought

The Committee is invited to consider whether or not to accede to the applicant's request for deferment. If the request is not acceded to, the application will be submitted for the Committee's consideration at the next meeting.
