Dear Sir,

We are writing with regard to our planning application A/NE-SLT/2.

In May 2019, we received further comments and enquiries from Chief Town Planner/ Urban Design and Landscape of Planning Department. As additional time is required to prepare supplementary information in response to Planning Department's comments, we would like to apply for a deferral for our planning application.

For any questions on this matter, please feel free to contact me at your convenience. We are sorry for any inconvenience conveyed to the Town Planning Board.

Regards,
