Section 16 Planning Application No. A/NE-TKL/621
Re : Application of Extension of Time for 2 Months (申請延期 2 個月)

I refer to the further information in respect of the captioned Section 16 Planning Application received by your office on 17 October 2019 and TPB's subsequent letter dated 24 October 2019. I was given to understand that the application is tentatively scheduled for consideration by the TPB at its meeting on 13 December 2019. On behalf of the applicants, I would like to apply for an extension of time for 2 months as we are awaiting the comments from Transport Department on our recently submitted Traffic Impact Assessment and we are also still preparing the additional information (namely the Drainage Proposal & Landscape Proposal) requested by the relevant Government departments concerned. As such, please defer this case accordingly. I sincerely apologize for any inconvenience that may have caused. The additional information requested by the relevant Government departments will be submitted as soon as possible. Thank you very much for your kind attention and consideration. With kind regards.

Yours sincerely,

Ir George C S Pang (彭振聲 工程師 / 區議員)
