Re : Application of Extension of Time for 2 Months  
(申請延期 2 個月)

I refer to our Section 16 Planning Application submitted on 21 June 2019 and TPB's subsequent letter dated 27 June 2019. Please be advised that this letter is to supersede my recent letter dated 2 August 2019. I was given to understand that the application is tentatively scheduled for consideration by the TPB at its meeting on 16 August 2019. On behalf of the applicants, I would like to apply for an extension of time for 2 months as we are still preparing the additional information requested by the relevant Government departments concerned. As such, please defer this case accordingly. I sincerely apologize for any inconvenience that may have caused. The additional information requested by the relevant Government departments will be submitted as soon as possible. Thank you very much for your kind attention and consideration. With kind regards.

Yours sincerely,
