Dear Sir/ Madam,

12 October, 2018

**Section 16 Planning Application for a Columbarium
at Poh Yea Ching Shea, Lot No. 1006 RP in D.D. 5, Mui Shue Hang, Tai Po**

We have received comments from several government departments sent to us via DPO/TP's email dated 4.10.2018.

We request that the consideration of our planning application by the Town Planning Board could be deferred for two months so as to allow time to make detailed responses and assessments in addressing the departmental comments and public comments received. Details for our planning and engineering work are as follows:-

- i. to prepare traffic and pedestrian management plan and assessment in response to the request from the Police;
- ii. to prepare a risk assessment on the potential risks associated from the gas transmission pipeline adjacent to the site in response to the request from the Electrical and Mechanical Services Department;
- iii. to prepare detail responses to public comments.

Yours faithfully,

Toco Planning Consultants Ltd.
