Dear Sir/Madam,

Section 12A Planning Application No. Y/NE-LYT/14

We write to request for a deferment of the meeting to be held on the 2nd August 2019 for a period of THREE months.

We have met with Ms. Doris Ho and Mr. David Lam of Development Bureau on 11th July 2019. We need additional time to review and address the concerns / views from various departments and the Development Bureau and as well certain local concerns. In particular, the applicants are considering what further technical assessments should be conducted in response to comments from departments such as the Transport Department, Drainage Services Department. These technical assessments would be submitted to the Town Planning Board for consideration when they become available.

Thank you very much for your kind attention. Meanwhile, please feel free to contact our Mr. Dennis Wong at 3408 3188 ext 191 if you have any queries.

Yours sincerely,
For and on behalf of
