Dear Sir,

Rezoning Application from “Village Type Development” Zone to “Government, Institution or Community (1)” Zone to Regularize an Existing Columbarium Use at Nos. 74 and 75 Kam Shan Road, Tai Po, New Territories

In order to allow sufficient time to address the comments raised by the Transport Department with respect to seek confirmation from the Food and Environmental Hygiene Department on whether the proposed operational measures for the proposed (existing) columbarium development could be enforced, the Applicant would like to defer the Rural and New Town Planning Committee Meeting which will consider the captioned rezoning application for a period of two months.

Should you have any queries with regard to the above, please do not hesitate to contact our Mr. Emerson Li or the undersigned at 2566 9988.

Thank you very much for your kind attention.

Yours Faithfully,
 for and on behalf of
