Reference is made to the Further Information (FI) of the captioned application submitted to the Town Planning Board (the Board) on 17 August 2020.

Comments from some government departments were received via the Sha Tin, Tai Po and North District Planning Office (DPO/STN) of the Planning Department in September 2020; whilst feedback from a few departments is pending. On behalf of the Applicant, we wish to request for deferment towards consideration of the captioned application by the Board for a period of 2 months in order to allow sufficient time to prepare a Further Information to address the departmental comments received as well as for respective departments to review our application.

In particular, in view of the latest comments from relevant departments on the proposed road widening along Tung Tsz Road, more time is required for further liaison with relevant departments to address the concerns on the proposed road widening on different technical aspects, including the feasibility and practicability of possible noise mitigation measures.
