**1. Background**

On 24.6.2019, the applicant seeks planning permission for wholesale conversion of an existing 18-storey industrial building at No. 1, Tin Hau Road, Tuen Mun (the Site) to a commercial building including office cum shop and services; eating place; place of recreation; sports or culture; art studio; audio-visual recording studio; design and media production as well as research, design and development centre (**Plan A-1**). The application is scheduled for consideration by the Rural and New Town Planning Committee (the Committee) of the Town Planning Board (the Board) at this meeting.

## **2. Request for Deferment**

On 1.8.2019, the applicant's representative wrote to the Secretary of the Board requesting the Board to defer making a decision on the application for two months in order to allow sufficient time to prepare further information (FI) to address the departmental comments received (**Appendix I**).

## **3. Planning Department's Views**

3.1. The Planning Department has no objection to the request for deferment as the justifications for deferment meet the criteria for deferment as set out in the Town Planning Board Guidelines on Deferment of Decision on Representations, Comments, Further Representations and Applications made under the Town Planning Ordinance (TPB PG-No. 33) in that the applicant needs more time to prepare FI in response to departmental comments, the deferment period is not indefinite and the deferment would not affect the interests of other relevant parties.

3.2. Should the Committee agree to defer a decision on the application, the application will be submitted to the Committee for consideration within two months upon receipt of further submission from the applicant. If the FI submitted by the applicant is not substantial and can be processed within a shorter time, the application could be submitted to an earlier meeting for the Committee's consideration. The applicant should be advised that the Committee has allowed two months for preparation of submission of FI, and no further deferment would be granted unless under very special circumstances.

## **4. Decision Sought**

The Committee is invited to consider whether or not to accede to the applicant's request for deferment. If the request is not acceded to, the application will be submitted for the Committee's consideration at the next meeting.
