**Advisory Clauses**

- (a) prior planning permission should have been obtained before commencing the applied use at the Site;
- (b) to resolve any land issues relating to the development with other owner(s) of the Site;
- (c) to note the comments of District Lands Officer/Yuen Long, Lands Department (DLO/YL, LandsD) that the Site comprises government land (GL) and Old Schedule Agricultural Lots held under the Block Government Lease which contains the restriction that no structures are allowed to be erected without the prior approval of the Government. Within the Site, the following private lots are currently covered by Short Term Waivers (STWs). Details of which are listed below:

STW No.	Lot No. in D.D. 122	Permitted Use
STW 3438	Lot No. 392	Ancillary use to Public Vehicle Park for Private Cars and Light Goods Vehicles
STW 3587	Lot No. 390 (Portion)	Temporary Public Vehicle Park for Private Cars and Light Goods Vehicles
STW 3720	Lot No. 403 RP	
STW 3721	Lot No. 404	

No permission is given for occupation of GL (about 408m<sup>2</sup>) subject to verification) included in the Site. Attention is drawn to the fact that any occupation of GL without Government's prior approval is not allowed. The Site is accessible from Tsui Sing Road via GL and private land. His office provides no maintenance work for the GL involved and does not guarantee any right-of-way over the GL to the Site. The STW(s) holder(s) should apply to his office for modification of the STW(s) conditions where appropriate. Besides, given the proposed use is temporary in nature, only application for regularisation or erection of temporary structure(s) will be considered. No construction of New Territories Exempted Building(s) will be considered or allowed. Furthermore, the applicant has either to exclude the GL portion from the Site or apply for a direct grant STT for use of the Site. Applications for any of the above will be considered by the LandsD acting in the capacity as the landlord or lessor at its sole discretion and there is no guarantee that such application(s) will be approved. If such application(s) is approved, it will be subject to such terms and conditions, including among others the payment of premium or fee, as may be imposed by the LandsD;

- (d) to note the comments of the Assistant Commissioner for Transport/New Territories, Transport Department (AC for T/NT, TD) that sufficient manoeuvring space shall be provided within the Site. The local track leading to the Site is not under TD's purview. The applicant shall obtain consent of the owners/managing departments of the local track for using it as the vehicular access to the Site;
- (e) to note the comments of the Chief Highway Engineer/New Territories West, Highways Department (CHE/NTW, HyD) that adequate drainage measures should be provided at the Site access to prevent surface water flowing from the Site to nearby public roads/drains. Currently, only the section of Tsui Sing Road of about 120m abutting Ping Ha Road is maintained by HyD. HyD shall not be responsible for the maintenance of any access connecting the Site and the section of Tsui Sing Road being maintained by HyD;
- (f) to note the comments of the Director of Fire Services (D of FS) that in consideration of the

design/nature of the proposal, FSIs are anticipated to be required. Therefore, the applicant is advised to submit relevant layout plans incorporated with the proposed FSIs to his Department for approval. The layout plans should be drawn to scale and depicted with dimensions and nature of occupancy. The location of where the proposed FSI to be installed should be clearly marked on the layout plans. However, the applicant is reminded that if the proposed structure(s) is required to comply with the Buildings Ordinance (Cap. 123), detailed fire service requirements will be formulated upon receipt of formal submission of general building plans;

- (g) to follow the “Code of Practice on Handling the Environmental Aspects of Temporary Uses and Open Storage Sites” issued by the Environmental Protection Department to minimise the potential environmental nuisance on the surrounding areas; and
- (h) to note the comments of the Executive Secretary (Antiquities & Monuments), Antiquities and Monuments Office (ES(A&M), AMO) that no excavation works will be conducted within the Site.
