- Proposed Amendment** : To rezone the application site from “Green Belt” (“GB”) and area shown as ‘Road’ to “Government, Institution or Community” (“G/IC”) and area shown as ‘Road’

1. Background

- 1.1 On 20.7.2018, the applicants submitted an application to rezone the application site from "Green Belt" and an area shown as 'Road' to "Government, Institution or Community" and an area shown as 'Road' for religious institution with ancillary columbarium (**Plan Z-1**).
- 1.2 On 19.10.2018, the Rural and New Town Planning Committee (the Committee) of the Town Planning Board (the Board) agreed to defer a decision on the application for 2 months, as requested by the applicants, so as to allow time to respond to the comments of relevant government departments. On 18.12.2018 and 24.12.2018, the applicants submitted further information and the application is scheduled for consideration by the Committee at this meeting.

2. Request for Deferment

On 7.3.2019, the applicants' representative wrote to the Secretary of the Board and requested the Board to defer making a decision on the application for 2 months so as to allow time to respond to the further comments of relevant Government departments (**Appendix I**).

3. Planning Department's Views

- 3.1 The application has been deferred once for 2 months at the request of the applicants. Since the last deferment on 19.10.2018, the applicants have submitted further information to provide responses to departmental comments. The applicants have indicated that they need more time for preparation of submission of further information to address comments of relevant Government departments.
- 3.2 The Planning Department has no objection to the request for deferment as the justifications for deferment meet the criteria for deferment as set out in the Town Planning Board Guidelines on Deferment of Decision on Representations, Comments, Further Representations and Applications made under the Town Planning Ordinance (TPB PG-No. 33) in that the applicants need more time to prepare further information in response to departmental comments, the deferment period is not indefinite and the deferment would not affect the interests of other relevant parties.
- 3.3 Should the Committee agree to defer making a decision on the application, the application will be submitted to the Committee for consideration within **3 2** months upon receipt of further submission from the applicants. If the further information submitted by the applicants is not substantial and can be processed within a shorter time, the application could be submitted to an earlier meeting for the Committee's consideration. The applicants should be advised that the Committee has allowed a maximum period of 2 months for preparation of submission of further information. Since it is the second deferment of the application, the applicants should be advised that the Committee has allowed a total of 4 months for preparation of submission of further information, and no further deferment would be granted unless under very special circumstances.

4. Decision Sought

The Committee is invited to consider whether or not to accede to the applicants' request for deferment. If the request is not acceded to, the application will be submitted to the Committee for consideration at the next meeting.
