- Zoning** : "Recreation" ("REC")
- Proposed Amendment** : To rezone the application site from "Recreation" to "Government, Institution or Community (1)"

**1. Background**

On 28.2.2020, the applicant submitted an application to rezone the application site from "Recreation" to "Government, Institution or Community (1)" (**Plan Z-1**). The application was originally scheduled for consideration by the Rural and New Town Planning Committee (the Committee) of the Town Planning Board (the Board) at this meeting.

**2. Request for Deferment**

On 21.4.2020, the applicant's representative wrote to the Secretary of the Board and requested the Board to defer making a decision on the application for two months so as to allow time to address the comments from relevant government departments and to respond to public comments (**Appendix I**).

**3. Planning Department's Views**

3.1 The Planning Department has no objection to the request for deferment as the justification for deferment meets the criteria for deferment as set out in the Town

Planning Board Guidelines on Deferment of Decision on Representations, Comments, Further Representations and Applications made under the Town Planning Ordinance (TPB PG-No. 33) in that the applicant needs more time to address the departmental comments, the deferment period is not indefinite and the deferment would not affect the interests of other relevant parties.

- 3.2 Should the Committee agree to defer making a decision on the application, the application will be submitted to the Committee for consideration within three months upon receipt of further information (FI) from the applicant. If the FI submitted by the applicant is not substantial and can be processed within a shorter time, the application could be submitted to an earlier meeting for the Committee's consideration. The applicant should be advised that the Committee has allowed a period of two months for preparation of submission of FI, and no further deferment would be granted unless under very special circumstances.

**4. Decision Sought**

The Committee is invited to consider whether or not to accede to the applicant's request for deferment. If the request is not acceded to, the application will be submitted to the Committee for consideration at the next meeting.
