Submission for Compliance with Approval Condition (c)

I refer to your letter dated 13.9.2022 enclosing a Conservation Management Plan for partial compliance with approval condition (c) of the subject planning application on “the submission of a Conservation Management Plan (CMP) and implementation of the mitigation measures identified therein before commencement of works to the satisfaction of the Commissioner of Heritage or of the Town Planning Board (TPB)”.

Commissioner for Heritage’s Office (CHO) and Executive Secretary (Antiquities and Monuments), Antiquities and Monuments Office (AMO) were consulted and it is advised that the CMP has been accepted by AMO on 18.7.2022 with no further comment. As such, the submission part of the approval condition (c) is considered complied with. Please be reminded that full compliance with approval condition (c) rests upon the implementation of the mitigation measures identified in the CMP before commencement of works to the satisfaction of the Commissioner of Heritage or of the TPB.

Should you have any queries, please contact Mr. David LEUNG (Tel.: 2231 4603) of the Hong Kong District Planning Office.

Yours sincerely,

(Mann M. H. CHOW)
