Dear Sir/Madam

Further to our email dated 25/02/2025, we would like to provide supplementary information on the swept path for your further information and consideration (Figure C1011FIG01 refers).

We also note that the photovoltaic system within the carpark will be solely for internal facility usage.

Please feel free to let me know if you need any further information.

Best Regards

Dear Sir/Madam

To whom it may concern

Please kindly ignore my email this morning on 11:07am 25/02/2025.

Further to the WSD's comment on our Further Information (FI) regarding the Risk Assessment Report on Contamination of Water Gathering Grounds and our email dated 24/2/2025, we would like to provide the following information for your further action and consideration:

1. Form S16-I updated to clarify the number of vehicles which is 25 numbers of private cars plus 2 numbers of 19 seats electric buses. The Planning statement is also updated for consideration.
2. Risk Assessment Report on Contamination of Water Gathering Grounds (C1011-01 Rev A) with updated highlighted in yellow for easy reference.

Please feel free to let us know if you need any further information.

Many thanks and Best Regards
