Lots 1642 S.D in D.D. 91

1. The applicant, Mr. Cheung Hok Kan (張學勤), an indigenous villager of Sheung Shui Heung, North, wishes to apply for planning permission to build a small house under section 16 of the Town Planning Ordinance;

4. On western side, about 39 metres in average away from the centre of the proposed site, there is a nullah running northwards;
5. No tree felling and earth filling are required in this proposed small house development;
6. The proposed development is considered compatible with the adjoining rural environment and will be visually un-intrusive to the surrounding;
7. At present, there is no vehicular access leading to the application site, it can only be accessed on foot. Therefore, the proposed development would not cause any adverse traffic impact to the surrounding;
8. The application site had been approved by the Board, A/NE-PK/85-1 refers;
9. The small house grant has not been approved by DLO/North as it is beyond the control by the applicant;
