Dear William,

Please find our reply on the departmental comments as below:

Departmental Comments (As at 13.3.2024)	CMHK's reply
Director-General of Communications	As Hong Kong has already been deploying 700MHz over 1 year, CMHK suggested OFCA to take the lead in discussing with Hong Kong's existing 4 operators and Shenzhen's operator for 700MHz signal overspill issue via email dated 1/6/2024. Your feedback is being awaited.

Thanks and regards,

Kelly Lo
