Dear Sir,

Temporary Retail Shop, Canteen and Ancillary Office for a Period of 3 Years at Lot 387 S.B ss.2 in D.D. 78, Lin Ma Hang Road, North, N.T.

This letter intends to supersede our letter dated 26.8.2024.

We have updated the current use at page 3 of the S.16-III application form for your further processing of the captioned planning application. The existing temporary structure at the application site is associated with the last planning permission No. A/NE-TKLN/39. Some tables, chairs, refrigerators, food and alike were found within the structures and they are the stocks of the last planning permission. The proposed development will be opened to public only upon planning approval.

The proposed canteen is intended to serve the cross-boundary travelers because of its close proximity to the port. As such, the operation hours of the proposed development will be updated to 8:00a.m. to 5:00p.m. from Mondays to Sundays including public holidays.

The land owner of the application site was thinking to sell the application site to potential buyer so that he misses the chance to renew the last planning permission No. A/NE-TKLN/39. The staff of the canteen at the application site will remove the motorcycles currently parked at the application site.

The updated layout plan (Figure 2) is attached for your further processing of the captioned planning application. The applicant will maintain the existing soakaway system and septic tank in good condition.

Yours faithfully,

Patrick Tsui
