After giving consideration to the application, the Town Planning Board (TPB) approved the application for permission under section 16 of the Town Planning Ordinance on the terms of the application as submitted to the TPB. The permission shall be valid on a temporary basis for a period of 3 years and be renewed from 20.10.2021 until 19.10.2024 and is subject to the following conditions :

- (a) no operation between 6:15 p.m. and 9:00 a.m., as proposed by you, is allowed on the site during the planning approval period;
- (b) no operation on Sundays and public holidays, as proposed by you, is allowed on the site during the planning approval period;
- (c) the peripheral fencing shall be maintained on site at all times during the planning approval period;

- (e) all existing trees shall be maintained in good condition at all times during the planning approval period;
- (f) the existing fire service installations implemented on the site should be maintained in efficient working order at all times;

- (g) the submission of a condition record of the existing drainage facilities on the site within 3 months from the date of commencement of the renewed planning period to the satisfaction of the Director of Drainage Services or the TPB by 20.1.2022;
- (h) if any of the above planning condition (a), (b), (c), (d), (e) or (f) is not complied with during the planning approval period, the approval hereby given shall cease to have effect and shall be revoked immediately without further notice;
- (i) if the planning condition (g) is not complied with by the specified date, the approval hereby given shall cease to have effect and shall on the same date be revoked without further notice; and
- (j) upon expiry of the planning permission, the reinstatement of the "Agriculture" portion of the site to an amenity area to the satisfaction of Director of Planning or of the TPB.

The TPB also agreed to advise you to note the advisory clauses as set out at Appendix VII of the TPB Paper.

You are reminded to **strictly** adhere to the time limit for complying with the above planning conditions. If any of the above planning conditions are not complied with by the specified time limit, the permission given shall be revoked without further notice and the development will be subject to enforcement action. If you wish to apply for extension of time for compliance with planning conditions, you should submit a section 16A application to the TPB no less than six weeks before the expiry of the specified time limit. This is to allow sufficient time for processing of the application in consultation with the concerned departments. The TPB will not consider any application for extension of time if the time limit specified in the permission has already expired at the time of consideration by the TPB. For details, including the total time period for compliance that might be granted, please refer to the TPB Guidelines No. 34D and 36B. The Guidelines, application form (Form No. S16A) and the Guidance Notes for applications are available at the TPB's website ([www.info.gov.hk/tpb/](http://www.info.gov.hk/tpb/)), the Planning Enquiry Counters of the Planning Department (Hotline : 2231 5000) at 17/F, North Point Government Offices, 333 Java Road, North Point; 14/F, Sha Tin Government Offices, 1 Sheung Wo Che Road, Sha Tin; and the Secretariat of the TPB at 15/F, North Point Government Offices.

This temporary permission will lapse on 20.10.2024. You may submit an application to the TPB for renewal of the temporary permission no less than two months and normally no more than four months before its expiry by completing an application form (Form No. S16-III). Application submitted more than four months before expiry of the temporary approval may only be considered based on the individual merits and exceptional circumstances of each case. For details, please refer to TPB Guidelines No. 34D. However, the TPB is under no obligation to renew the temporary permission.

For amendments to the approved development that may be permitted with or without application under section 16A, please refer to TPB Guidelines No. 36B for details.

A copy of the TPB Paper in respect of the application (except the supplementary planning statement/technical report(s), if any) and the relevant extract of minutes of the TPB meeting held on 24.9.2021 are enclosed herewith for your reference.

Under section 17(1) of the Town Planning Ordinance, an applicant aggrieved by a decision of the TPB may apply to the TPB for a review of the decision. If you wish to seek a review, you should inform me within 21 days from the date of this letter (on or before 5.11.2021). I will then contact you to arrange a hearing before the TPB which you and/or your authorized representative will be invited to attend. The TPB is required to consider a review application within three months of receipt of the application for review. Please note that any review application will be published for three weeks for public comments.

This permission by the TPB under section 16 of the Town Planning Ordinance should not be taken to indicate that any other government approval which may be needed in connection with the development, will be given. You should approach the appropriate government departments on any such matter.

If you have any queries regarding this planning permission, please contact Mr. Tim Fung of Sha Tin, Tai Po & North District Planning Office at 2158 6237. In case you wish to consult the relevant Government departments on matters relating to the above approval conditions, a list of the concerned Government officer is attached herewith for your reference.

Yours faithfully,

( Raymond KAN )
