10. Justifications 理由

The applicant is invited to provide justifications in support of the application. Use separate sheets if necessary.
現請申請人提供申請理由及支持其申請的資料。如有需要，請另頁說明。

CLP has received an application for the provision of new electricity supply for DD210 2 S.C for agricultural purposes. The location is near Hing Keng Shek Road. To enhance the supply network to Hing Keng Shek Road, it is necessary to lay underground cables and install wood poles to connect to the existing electrical network.

Given that the proposed pole installation is located within the Green Belt Zone, there are no feasible alternatives for the proposed works other than installing new poles in this zone. The laying of new underground cables and the installation of poles in the area will have minimal impact on the existing landscape of the Green Belt area. There will be no visual impact after the completion of the pole erection works.

In conclusion, this method represents the best approach with the least environmental impact for this application.
