

Further Information for Planning Application No. A/YL-KTN/1000**Response-to-Comment****Comments from the Transport Department****Contact Person: Mr. Phil CAI (Tel: 2399 2421)**

I.	Comments	Responses
1.	The applicant should demonstrate the smooth manoeuvring of vehicles to / from Kong Po Road, along the local access and within the site.	The swept path analysis at Plan 4 has demonstrated the smooth manoeuvring of vehicles to/from Kong Po Road (near Lamppost GD0271), along the local access and within the Site.
2.	The applicant should provide the routing between Kong Po Road / Chi Ho Road and the site.	Please refer to the routing as shown on the location plan at Plan 1 .
3.	The applicant should note that there is length restriction at Kong Po Road.	Noted. In view of the length restriction, medium goods vehicles (MGV) with length less than 7 m will be adopted for the daily operation of the Proposed Development. As such, MGV parking spaces are proposed instead of HGV.
4.	The applicant should note the local access between Kong Po Road (near Lamppost GD0271) and the site is not managed by this Department.”	Noted.
