Executive Summary

This planning application is submitted to seek approval from the Town Planning Board (TPB) for proposed amendments to the Approved Tong Yan San Tsuen Outline Zoning Plan No. S/YL-TYST/14 under Section 12A of the Town Planning Ordinance. While maintaining the residential use, this application is to rezone the Site from “Residential (Group B)1” and “Residential (Group C)” to “Residential (Group B)4” at various lots in D.D. 121 and adjoining Government Land at Tong Yan San Tsuen, Yuen Long (the Site).

The Site is in fact readily available for immediate implementation for housing supply. Nonetheless, the Site became bisected into fragmented portions by a planned Road L20 under the revised Recommended Outline Development Plan of the “Planning and Engineering Study for Housing Sites in Yuen Long South – Investigation”. By only a slight adjustment to the proposed alignment of Road L20, the completeness of the Site can be ensured with an early materialization of potential flat supply of about 1,381 units (with an average unit size of 50m²), whilst not jeopardizing the implementation of other planned developments in Yuen Long South.

The proposed rezoning is fully justified for the following reasons:

- (a) The proposed rezoning responds to the changing planning circumstances and is in line with Government’s Policy to increase housing supply. Specifically, the Site is within the Yuen Long South development which is one of the major committed areas for housing supply under various Policy Addresses. It also falls within the area of Northern Metropolis, which will be the economic driver of Hong Kong for the next 20 years with highly concentrated residential and working population.
- (b) The proposed development subject of this application facilitates early implementation of more flat supply, as compared to the revised Recommended Outline Development Plan, to meet urgent housing demand.
- (c) The proposed development will support the employment belt in Yuen Long South and Hung Shui Kiu New Development Area with the inherent nature of industrial cum residential uses.
- (d) The proposed development demonstrates appropriate development quantum by referencing other “Residential (Group B)” zones and the residential densities of Residential Zone 3 for New Towns under the Hong Kong Planning Standards and Guidelines and adopting a plot ratio of 3.6.
- (e) The proposed development has incorporated significant planning and design merits, including podium-free design, stepping building height, building setback, and paying due respect to the existing Kam Lan Koon Temple, etc.

- (f) Technical Assessments have demonstrated that the proposed development will not result in insurmountable technical impacts with the proposed mitigation measures taken in place.

In consideration of the above, we sincerely request that the TPB to support this rezoning application from planning and technical perspectives.

行政摘要

(內文如有差異，應以英文版本為準)

本規劃申請擬就城市規劃條例第 12A 條向城市規劃委員會(下稱「城規會」)申請修訂唐人新村分區計劃大綱核准圖編號 S/YL-TYST/14(下稱「大綱圖」)。擬議修訂包括將位於元朗唐人新村丈量約份第 121 約多個地段及毗連政府土地(下稱「申請地點」)，由「住宅(乙類)1」及「住宅(丙類)」地帶改劃為「住宅(乙類)4」地帶。

事實上，該申請地點是一塊能即時提供房屋供應的土地。儘管如此，其後修訂的「元朗南建議發展大綱圖」的 L20 公路仍然把申請地點分割多個部分。改劃方案建議稍微調整 L20 的走線，以確保申請地點的完整性，同時亦能夠較早落實提供約 1,381 個住宅單位(平均單位面積為 50 平方米)。改劃方案將不會妨礙其他元朗南發展計劃。

擬議之圖則修訂理據如下：

- (a) 因應不斷變化的規劃環境，改劃方案能完全配合政府現時推行的房屋政策，並能提供房屋供應。申請地點坐落於多年的施政報告中提及能提供房屋供應地區之一的元朗南發展區。元朗南發展亦位於北部都會區內，該區於未來 20 年將成為一個高居住和工作人口的地區，以支持香港經濟增長；
- (b) 與修訂的「元朗南建議發展大綱圖」相比，擬議發展計劃能夠促進較早實現住宅發展以滿足急切的房屋需求；
- (c) 擬議發展計劃將支持元朗南和洪水橋新發展區的就業帶，與該區的工業及住宅歷史背景相符；
- (d) 擬議發展參數參照其他「住宅(乙類)」地帶的地積比率和《香港規劃標準與準則》建議新市鎮住宅發展密度第 3 區的最高住用地積比率，因此認為擬議的地積比率 3.6 倍是一個適合的發展密度；
- (e) 擬議發展計劃包含規劃及設計優點，如沒有平台的建築設計、階梯式的建築物高度、建築物退及減少對金蘭觀廟的影響；及
- (f) 技術評估報告等均證明該擬議發展計劃在緩解措施底下帶來不會無法克服/不可以接受的影響。

基於以上各項規劃及技術性上的理據，申請人懇請城規會批准是次修訂圖則申請。
